August 11, 2016—Voting in New York should be easy. That's why the Board of Elections in the City of New York (BOE) is making things as easy as possible this year with a new personalized election mailer that you can keep in your wallet; a simple and convenient information card that tells you what you need to know about how, when and where to vote in 2016.

This year's mailer is a clear, concise, personalized, and wallet-sized information card displaying each voter's specific election date, polling time, polling location with accessibility entrances, and Election and Assembly District numbers which will allow voters to avoid waiting on the information table. In addition, to the information card the accompanying pamphlet contains pertinent information on polling-site updates, BOE website and contacts, a convenient polling-site locator, and your specific borough's BOE office address.

So check the mail! It won't be long before your personalized voter card arrives at your door.

As an additional reminder, residents from all five boroughs are welcome to serve the community—and get paid—by becoming a poll worker. Sign up is easy (available immediately at pollworker.nyc/2016 or by phone at [1-866-VOTE-NYC](tel:1-866-VOTE-NYC)). Sign up today—tell your friends, family, and coworkers about the new campaign and get more involved in New York's voting process.
