DESIGNATING PETITION AND *OPPORTUNITY TO BALLOT PETITION* RULES FOR THE 2018 PRIMARY ELECTIONS

Adopted: February 27, 2018

These Rules are adopted by the Board of Elections in the City of New York [hereinafter "Board"] pursuant to Election Law § 6-154 (2).

Everyone is urged to consult the New York State Election Law and Regulations of the New York State Board of Elections, 9 NYCRR §6215, as well as these Rules.

DEFINITIONS:

- Petition:*** A “petition” is all of the sheets which may be filed with the Board in one or more volumes, together with any required cover sheet, which designate the same candidate for a particular public office or party position. It includes an “opportunity to ballot” petition as set forth in Section 6-166 of the Election Law.
- Petition Volume:*** A “petition volume” is the securely fastened grouping of petition sheets for one or more candidates or group of candidates.
- Cover Sheet:*** A “cover sheet” is the form (as set forth in Rule C of these Rules) to be filed with the Board which summarizes what petition volume or volumes comprise the Petition for each candidate for a particular public office or party position.

A. GENERAL REQUIREMENTS

- A1. A designating petition shall comply with the provisions of Section 6-134 of the Election Law. An opportunity to ballot petition shall comply with the provisions of Section 6-166 of the Election Law. Sheets of a petition shall be securely fastened together in one or more petition volumes. The sheets in each petition volume shall be numbered sequentially at the bottom of each sheet.
- A2. Pursuant to Section 1-106 of Election Law, all papers required to be filed shall, unless otherwise provided, be filed between the hours of 9:00 a.m. and 5:00 p.m. at the Executive Office of the Board, 32 Broadway, 7th Floor, New York, N.Y. 10004. If the last day for filing shall fall on a Saturday, Sunday, or legal holiday, the next business day shall become the last day for filing. The Board of Elections shall be open for the receipt of any document from 9:00 a.m. until Midnight on the last day to file any such document. Failure of any person or entity to deliver any such document to the Board on or before the last day to file same shall be a fatal defect.
- A3. With respect to the format of the primary election ballot, see the Statement of the Commissioners adopted on May 14, 2013 which is appended to these Rules.

B. IDENTIFICATION NUMBERS

- B1. No one is required to apply for a petition volume identification number before filing any petition volume. However, any person may apply for a petition volume identification number by submission of an Identification Number Application Form. Identification Number Application Forms are available at the Board's Candidate Records Unit, 32 Broadway, 7th Floor, New York, NY 10004. If a petition volume identification number has been assigned before the petition volume is filed, the petition volume identification number must appear prominently on the top of the petition volume. The Board requests that petition volume identification numbers not be placed on the petition volume's binding.
- B2. The Board will inscribe petition volume identification numbers on all application forms. These forms will be retained in a binder for public inspection.
- B3. A pre-assigned petition volume identification number shall be used only by the candidate(s) or applicant(s) named in the application. Petition volume identification numbers are not transferable or assignable.
- B4. A pre-assigned petition volume identification number shall be used only for the election event for which the application is made.
- B5. Whenever a petition volume is filed without a pre-assigned petition volume identification number, the Board will assign a petition volume identification number at the time the petition volume is filed.

C. COVER SHEET

- C1. A cover sheet must be filed for all petitions containing ten or more sheets in one volume or consisting of more than one volume. The cover sheet SHALL BE FILED SEPARATELY from the petition volume(s). It shall not be attached to any petition volume. The failure to file a cover sheet when required by the Election Law shall be a fatal defect.
- C2. A cover sheet shall accurately and correctly state the following information:
- a) the office, the political party's name and district number (where appropriate) for which each designation and nomination is being made;
 - b) the name and complete residence address of each candidate [for these Rules, a complete residence address includes the house number, the street name, the city, state and zip code for the address (apartment number, if applicable, is recommended, but optional)];
 - c) the total number of volumes comprising each petition;
 - d) an identification of the volumes comprising the petition; when multiple volumes are filed, a single cover sheet may be filed consistent with the Regulations of the New York State Board of Elections, 9 NYCRR §6215.2 (a) (2), with the volumes identified by listing the identification number of each volume, either individually or cumulatively;
 - e) a statement that the petition contains the number, or in excess of the number, of valid signatures, required by the Election Law or the New York City Charter (if applicable);
 - f) a place for the optional designation of a contact person to be notified to correct noncompliance with the Rules (a candidate may be designated as the contact person), [A cover sheet may include an e-mail address for the contact person to receive communications from the Board.];
 - g) when more than one candidate is designated or nominated on the same petition volumes, the candidates may be grouped together on a cover sheet so that the number of volumes comprising the petition need not be repeated;

- h) a cover sheet may consist of more than one page;
 - i) the information contained on the cover sheet must correctly match the information printed on the petition sheet for each candidate;
 - j) pursuant to Election Law §4-123, a candidate for Member of the New York State Assembly or New York State Senate has the option to include on their cover sheet, the candidate's website address, which if submitted, will be published on the State Board of Elections website.
- C3. The names and addresses of candidates for county committee may be set forth by election district of candidacy on a schedule to be annexed to the cover sheet. Such cover sheet/schedule for the position of county committee shall include all the information required by Rule C2, and in addition, a list by election district of the identification number(s) of the petition volume and page number(s) in such petition volume(s) where such signatures appear for each election district.
- C4. An amended cover sheet must state on its first page that it is an amended cover sheet and shall clearly identify the original cover sheet which it is amending by attaching a copy of the original cover sheet which it is amending or attaching a copy of the notice of non-compliance to the amended cover sheet. The amended cover sheet must contain all the information required of a cover sheet. Amended cover sheets must contain the following authentication: "This is to certify that I am authorized to file this amended cover sheet." Said authentication must be signed and dated and shall include the printed name, address, and may include the office telephone number and fax number/e-mail address of said candidate or representative.
- C5. An amended cover sheet must be filed on or before the last day to file the petition unless the amended cover sheet is filed to cure a failure to comply with the Rules after the Board has made a determination of non-compliance with these Rules.

C6. The Board shall post conspicuously at the front counter at the place of petition filing during the petition circulation and filing period a sign with the following notices:

- A COVER SHEET IS TO BE FILED SEPARATELY from any petition volume; a cover sheet is not to be attached to any petition volume;
- All Sheets of each Petition Volume are to be SECURELY FASTENED;
- All sheets of each Petition Volume are to be SEQUENTIALLY NUMBERED.

**D. DETERMINATIONS; CURES
PURSUANT TO §6-134 (2) OF THE ELECTION LAW**

- D1. Within two (2) business days of the receipt of a petition, the Board will review the petition to determine whether the petition complies with the cover sheet and binding requirements of these Rules. Such review shall be limited to matters apparent on the face of the cover sheet, the binding of each petition volume, and the number of petition volumes. Such review and such determination shall be without prejudice to the Board's determination of objections and specifications of objections filed pursuant to the provisions of the Election Law and these Rules.
- D2. The Board, pursuant to the provisions of Section 3-212(5) of the Election Law, authorizes that a Commissioners' Committee composed of one Commissioner from each of the political parties represented on the Board, designated by the President and Secretary of the Board, who may make such designation by telephone, to make determinations pursuant to this Rule. Notice of the time and place of such meetings shall be posted at the Executive Office and on the Board's website. In the event that the Board determines that a petition does not comply with these Rules, the Board shall forthwith notify the candidate or candidates named on the petition of its determination and the reasons therefore.
- D3. Notification of a determination of noncompliance shall be given by written notice by depositing such notice on the day of such determination with an overnight delivery service, for overnight delivery, on the next business day after the determination to the candidate, contact person, if designated, or the first person named on the committee to fill vacancies, at the address stated on the petition. If the candidate files with the Board written authorization, signed by the candidate, for the Board to give notification by facsimile transmission or e-mail, then the Board may send such notice by e-mail to the e-mail address or by facsimile transmission to the number set forth on the signed written authorization on the day of the determination.
- D4. A candidate may, within three (3) business days of the date of a determination that the petition does not comply with these Rules, cure the violation of these Rules. Cover sheet deficiencies may be corrected by the filing of an amended cover sheet and/or as directed in the notice of non-compliance. Such cure or correction must be received by the

Board no later than the third business day following such determination. Such cure or correction will be reviewed by the Board to determine if it is in compliance with the Election Law and these rules. Failure to timely file such a cure is a fatal defect.

- D5. If the petition is one for an opportunity to ballot, then the first named person on the committee to receive notices or applicant(s) for the identification number or numbers under which the petition was filed shall be deemed to be the "candidate" for purposes of these Rules.

- D6. Upon expiration of the (3) business days set forth in Rule D4, the Board or a Commissioners Committee established pursuant to Rule D2, shall review the filed attempted cure. If the Board determines that an attempt to cure a defect does not comply with these Rules or the Election Law, the Board shall notify the candidate or candidates named on the petition/cover sheet of its determination and the reasons therefore. The Board shall give written notice of such determination and the fact that the candidate(s) will not appear on the ballot by depositing such notice on the day of such determination with an overnight delivery service, for overnight delivery, on the next business day after the determination to the candidate, contact person, if so designated, or the first person named on the committee to fill vacancies, at the address stated on the petition, cover sheet and/or amended cover sheet, as applicable.

E. PRIMA FACIE MATTERS

- E1. The Board reviews each Cover Sheet and Petition to insure compliance with the New York State Election Law. On occasion, the Board determines that it appears that a Cover Sheet and/or Petition, on its face, fails to comply with the requirements of the New York State Election Law and is not subject to a cure under Section 6-134(2) of the Election Law. In that event, the Board shall notify the candidate or designated contact person in writing, of the Board's preliminary finding of a Prima Facie defect and advise the candidate/contact person that he/she may appear at the commencement of the Board's hearings on said petitions to contest such preliminary finding. Such review, preliminary finding and final determination shall be without prejudice to the Board's subsequent determination of objections and specifications of objections filed pursuant to the provisions of the Election Law and these Rules.

F. EXAMINATION AND COPYING OF PETITIONS

- F1. The Commissioners of the Board, or in their absence, the Executive Director, Deputy Executive Director, the Chief Clerks, Deputy Chief Clerks or such other staff as may be designated by the Executive Director, shall control the requisition, examination and copying of any document filed with the Board in order to assure that candidates, objectors or potential objectors and their representatives have an equal and fair opportunity to examine or copy such documents consistent with the needs of the Board to process petitions and specifications of objections.
- F2. Any person may obtain a copy of any document filed with the Board upon written application and payment of 25¢ per page.
- F3. No document shall be unfastened or taken apart (except by authorized employees of the Board of Elections) while examining the document; nor shall pen and ink or indelible pencil be used while examining documents. Only red pencil is to be used while examining any document. No other writing instrument may be used while examining any filed document.

G. GENERAL OBJECTIONS

- G1. A general objection to a petition must be filed at the Executive Office of the Board, 32 Broadway, New York, N.Y. 10004, 7th Floor. The last day for filing general objections shall be three (3) days after the latest date on which any part of such petition or cover sheet was filed, even if said petition or cover sheet is subsequently not claimed by the candidate(s) appearing thereon.

NOTE: The Board reserves the right to conduct an inquiry into the facts and circumstances of the filing of any document and the application of Rule G1.

- G2. In the event an amended cover sheet is filed to cure noncompliance with these Rules after the last day to file a petition, the general objection and specifications filed in support of such general objection shall address only issues raised by the amended cover sheet. Such a general objection and specifications are without prejudice to any other issues addressed in any timely filed general objection and supporting specifications which are addressed to the petition. In order to expedite a determination by the Board, objectors are urged to file specifications of an objection addressed to an amended cover sheet filed to cure after a determination of noncompliance at the time when the general objection is filed.
- G3. The general objection shall state the name and address of the objector and the name and address of the candidate, party name, and public office or party position as set forth on the petition to which the objection is addressed, the title and date of the election for which the petition has been filed and the general objection shall be signed by the objector. If the objection is directed to a petition for opportunity to ballot the objection shall identify the public office or party position and petition volume identification number.
- G4. The general objection shall include a place for the optional designation of a contact person to receive notice of any rulings on the objection. The general objection should include any telephone numbers, fax numbers or e-mail addresses, which can be used to provide notice regarding rulings on the objection.

H. SPECIFICATIONS OF OBJECTIONS

H1. Specifications of objections shall state the name and address of the objector and the name and address of the candidate and the public office or party position as set forth on the petition to which the objection is addressed and said specification shall be signed by the objector. The specifications of objections shall be prepared using ink.* The specifications of objections shall be securely fastened together in one or more volumes. The specification of objections in each and every volume shall be numbered sequentially at the bottom of each page of the specification.

** See Statement of the Commissioners of Elections in the City of New York adopted May 19, 2009 which is appended to these Rules*

H2. The specifications shall include the name and mailing address of any contact person other than the objector to receive notice of any rulings on the specifications designated in the general objection. The specifications should include any telephone numbers, fax numbers or e-mail addresses, which can be used to provide notice regarding rulings on specifications. The specifications may indicate separate numbers/addresses to be used on the Saturday and Sunday prior to the date scheduled for Commissioners' hearings.

H3. When an objector files an objection which presents a factual issue which cannot be determined from documents on file with the Board, the specifications must set forth the factual allegations with particulars. The objector shall submit with the specifications, copies of any documents or affidavits that are required in order for the Board to rule on the issue.

H4. If the specifications of objections claim that there are an insufficient number of valid signatures, the specifications must state the total number of signatures contained in the petition and the total number of signatures which the objector claims to be invalid.

H5. Any specific objection to an individual signature or witness statement shall set forth the Board-assigned petition volume identification number, page number and line number and shall set forth with specificity the nature of each objection to that signature or witness statement.

H6. The following abbreviations are acceptable:

AI	Address illegible or so abbreviated it cannot be identified.
ALT	Alteration (date/signature)

Objectors may use other abbreviations or symbols as long as they are clearly defined in the specifications.

- H7. Objectors are warned not to include in the specifications broad, non-specific or generic claims or claims which are not supported by documents filed with the Board. The Board may dismiss the entire objections as frivolous if specifications include such claims.
- H8. The Board believes that the appropriate forum for determination of allegations of forgery or fraud is in an invalidating proceeding commenced in the Supreme Court pursuant to Election Law §16-102. Therefore, the Board does not ordinarily rule on such allegations. In the rare case where an objector seeks to obtain a ruling from the Board on an issue of fraud, or on a factual issue which cannot be determined from documents already filed with the Board (such as petitions, registration records, party call, party rules, etc.), the specifications must set forth the factual allegations with particularity. The objector should submit with the specifications copies of any documents or affidavits that are required in order for the Board to rule on the issue. Notwithstanding such a submission, the Board will generally decline to rule on any allegation of fraud.

- H9. (a) For petitions designating a candidate for public office, the objector must serve a copy of the specifications either personally, by certified mail or by a delivery service in accordance with the provisions of Section 1-106(3) of the Election Law, as amended by Chapter 255 of the Laws of 2015, upon the candidate for public office set forth in the petition objected to, before filing such specifications with the Board.
- (b) For petitions designating a candidate for party position, the objector must serve a copy of the specifications either personally, by certified mail or by a delivery service in accordance with the provisions of Section 1-106(3) of the Election Law, as amended by Chapter 255 of the Laws of 2015, upon the first person listed under the committee to fill vacancies or the contact person as set forth in the petition or cover sheet being objected to, before filing such specifications with the Board.
- (c) For petitions designating a candidate for party position for which no committee to fill vacancies or contact person has been designated, copies of the specifications, clearly labeled “copy one” and “copy two” on the face of the specifications must be filed with the Board. The Board shall be deemed the agent for service of specifications of objections for all candidates for whom neither a committee to fill vacancies appears on the petition nor a contact person appears on the cover sheet. The second copy shall be available at the Executive Office for inspection or copying.
- H10. Specifications of objections must be filed within six (6) days after the filing of general objections, in person, at the Executive Office of the Board, 32 Broadway, 7th Floor, New York, N.Y. 10004. The Executive Office will be open during the period for filing objections and specifications until midnight of each day (except Saturday and Sunday) to permit the filing of such papers in person. The Election Law does not authorize the extension of time for filing objections or specifications.
- H11. Proof of service of specifications (which must identify the specification it is related to by either including the borough and General Objection/Specification number on the proof of service or attaching the proof of service to a copy of the first page of the specification) must be filed in person at the Executive Office of the Board, 32 Broadway, New

York, N.Y. 10004, no later than the day after specifications are filed. The Board will issue a receipt for proof of service upon filing.

- H12. Upon receipt of Specifications of Objection in a borough office, the Chief Clerk and Deputy Chief Clerk (or their designees) shall review said specifications of objections on their face and determine if said specifications appear to be frivolous or if the objectors lack standing to file such specifications. Upon such a preliminary determination by the Chief Clerk and Deputy Chief Clerk, they shall refer their preliminary determination to the respective Borough's Commissioners' Committee (consisting of the Commissioners for those Boroughs which contain part of a specific district) for specifications of objections relating to petitions for all offices and/or positions for review. If the appropriate Commissioners' Committee confirms that the specifications of objection appear to be frivolous or that the objector(s) lack standing to file such specifications, they shall confirm the preliminary determination of the Chief Clerk and Deputy Chief Clerk and direct that the specifications of objections not be worked by the borough office staff. Such findings and confirmation thereof shall be reported to the Commissioners at the commencement of the hearings for their review.

I. CLERKS'/COUNSEL'S REPORT

11. The Chief Clerk and Deputy Chief Clerk of each borough shall assign staff to examine the specifications of objections and to prepare a report to the Commissioners on the objections.
12. As soon as the borough office has prepared the report to the Commissioners, the borough office shall fax copies of the summary report (without line-by-line rulings) to the contact persons designated on the petition cover sheet and on the specifications to receive notices at the fax number or e-mail address indicated. Candidates or objectors who are unable to receive faxes or e-mails must check with the Chief Clerk or Deputy Chief Clerk of the respective borough office if the candidate or objector wishes to review the Clerks' Report prior to the Commissioners' hearing.
13. At least twenty-four hours before each date for Commissioners' hearings, each borough office shall prepare a list of Clerks' Reports, which have not been completed and shall immediately transmit a copy to the Executive Office and shall make the list available to the public. The Commissioners' hearing on Clerks' Reports included on the list will be automatically postponed from the immediate hearing date to the next hearing date scheduled by the Commissioners unless there is consent from the objector and the candidate to rule on the Clerks' Report as scheduled.
14. Once the borough office has prepared the report to the Commissioners, the original specifications of objections with the line by line rulings of the clerks will be made available for examination or copying by the objector, candidate or representative, provided that the specification is not being used by the clerks for the review of any other specifications of objections.
15. The rules regarding examination and copying of petitions shall also apply to specifications of objections showing the clerks' line by line rulings. The use of designating or OTB petitions and specifications by the clerks for the preparation of their report shall have priority over any request for examination or copying by any objector, candidate or their representative.

16. In the event that the specifications of objection present legal rather than or in addition to factual issues, said specifications of objections shall be referred to the Office of the General Counsel of the Board who shall assign staff to examine such specifications of objections and prepare a report to the Commissioners on the legal issues raised in the specifications. The notice and inspection provisions found in Sections 12, 14 and 15 of these Rules shall apply to such Counsel's Report.

J. HEARINGS

- J1. The Commissioners shall render a ruling on specifications of objections after they receive the Clerks' or Counsel's Report. Candidates or objectors who wish to be heard by the Commissioners should review the Clerks'/Counsel's Report and individual line-by-line rulings prior to the Commissioners' hearing. Candidates or objectors shall present to the Commissioners a list of exceptions which identifies with specificity each ruling by the clerks which is claimed to be erroneous. In view of the short deadlines and urgency of obtaining final rulings by the Board, the Board may reject any application for an extension of time to review the Clerks'/Counsel's Report when the candidate or objector received notice of the Clerks' Report at least twenty-four (24) hours prior to the hearing (*including* weekends and holidays), or the candidate or objector failed to designate a fax number or e-mail address for the receipt of notice.
- J2. Attorneys appearing on behalf of a candidate or objector must file a Notice of Appearance on the Board prepared form, which shall include the current address, telephone number and fax number of the attorney.
- J3. An individual, other than an attorney (including a candidate or objector), representing a candidate or an objector must file a Notice of Authorization that must be signed by said candidate or objector. Notices of Appearance and/or Authorization can be obtained from the Candidate Records Unit.

- J4. The hearings held by the Board shall be transcribed by a professional reporter and/or tape recorded and preserved in the Board's permanent records. Any person may obtain a copy of the transcript or tape recording by making a written request to the Executive Director or Deputy Executive Director (or their designees) and paying the applicable fee.
- J5. Whenever there is not a quorum of Commissioners present on any day scheduled for Commissioners' hearings, a committee of the Commissioners shall rule on the Clerks' or Counsel's Reports. The committee is constituted pursuant to Election Law §3-212 (5). The committee shall consist of the largest equal number of Commissioners from each of the political parties represented on the Board who are available and designated by the President and Secretary of the Board, who may make such designation by telephone. In the absence of the President or the Secretary, the Commissioner of the same political party with the greatest length of service on the Board who is available shall make such designation. The President and Secretary, or senior Commissioners present shall attempt to confer with the other Commissioners of the same political party before making such designation. The committee shall serve only for that hearing date, or until a quorum of the full Board is present, whichever is shorter, unless the full Board shall provide otherwise.
- J6. The Board may reconsider any determination or the determination of any committee of the Board, established by these Rules. In such event, the Board will provide notice to the objector(s), candidate(s) or authorized representative(s), prior to such reconsideration.
- J7. Prior to the commencement of each session's petition hearings a copy of the Prima Facie Calendar(s) (compiled by the Candidate Records Unit and/or the Office of General Counsel) and the Specifications of Objections Calendar(s) for that session shall be posted at or near the entrance of the hearing room.

K. JUDICIAL PROCEEDINGS

- K1. Judicial proceedings are governed by Article 16 of the New York State Election Law. On June 18, 2012, the Commissioners adopted a policy statement and recommended provision for inclusion in any proposed Order to Show Cause sought pursuant to §16-102 of the Election Law. The attention of all candidates, objectors and their legal counsels is directed to the Notice containing the foregoing which is appended to these Rules.

STATEMENT

of the

Commissioners of Elections in the City of New York

The Commissioners of Elections in the City of New York, at their public meeting held on Tuesday, May 19, 2009, unanimously adopted the following statement providing their interpretation of Rule H1 of the Board's Designating and Opportunity to Ballot Petition Rules and directed that it be included in the Calendar and Rules booklet distributed by the Board and posted on the Board's website:

With respect to Rule H1, the Board has determined that a specification of objection, which is prepared and submitted to the Board using ink, which includes a photocopy and/or a computer generated copy as well as any other form of permanent marking that is not susceptible to fraud constitutes compliance with the provisions of Rule H1.

NOTICE TO CANDIDATES, OBJECTORS
AND THEIR LEGAL COUNSELS
Filing Petitions and Other Documents
with the Board of Elections in the City of New York

**RE: Orders to Show Cause under Section 16-102 of the
New York State Election Law**

The Commissioners of Elections in the City of New York at their public meeting held on Tuesday, June 18, 2012 adopted the following policy statement and recommended provision for inclusion in any proposed Orders to Show Cause sought pursuant to Section 16-102 of the New York State Election Law.

In the past, the Orders to Show Cause brought under §16-102 often imposed mandates and obligations on the Board, that interfered with the activities of the Board and its staff and at a cost to the Board and the City's taxpayers. These Orders to Show Cause which have often been obtained on an ex-parte basis naming the Board of Elections, a governmental entity without notice or the opportunity to be heard.

By way of background, in prior years, on the initial return date for an Order to Show Cause in a special proceeding commenced under §16-102, usually no action is taken since the Board may not have yet completed its administrative hearings on Specification of Objections and Prima Facie findings. Under this proposed provision, when included by the Supreme Court in an Order to Show Cause, at a later stage in the litigation, when documents may actually be needed, the Court may direct the Board to produce the necessary documents and only the necessary documents. In addition, most of the Supreme Court's Election Parts conduct their line-by-line reviews of petitions at the Board's borough offices; adoption of this proposed provision would not result in a drastic change in the Supreme Court's practice.

Please note that the Commissioners directed that this attached recommended provision be made widely available by:

1. posting this Notice on the Board's website;
2. distributing copies of this Notice during petition filing weeks to each candidate, representative and objector;
3. transmitting a copy to each Administrative Judge of the Civil Terms of State Supreme Court within the City of New York requesting that they distribute the same to the Justices assigned to the Special Election Matters Part(s) and the Ex-Parte or Motion Support Office staff.

This policy and the recommended provision for inclusion in an Order to Show Cause are applicable to all §16-102 matters, be they for a Primary, General and/or Special Election. In addition, the Commissioners have determined that if an Order to Show Cause is entered, without notice to the Board, that contains a contrary provision, then the Board through the New York City Law Department would appear and oppose the inclusion of such a provision in the Order to Show Cause or seek its modification to include the recommended provision set forth below.

The Board of Elections in the City of New York thanks each candidate and their legal counsels for their cooperation and understanding.

COMMISSIONERS OF ELECTIONS

IN THE CITY OF NEW YORK

The Commissioners of Elections in the City of New York, at their public meeting held on Tuesday, May 14, 2013 unanimously adopted the following statement providing their interpretation and opinion of the applicability of particular provisions of the New York State Election Law with respect to the form of the ballot for primary, general and special elections conducted entirely within the City of New York and directed that it be included in all future Calendar and Rules booklets distributed by the Board and that it be posted on the Board's website. Please note that this Statement and the interpretation and opinion expressed herein are consistent with the policies and practices that have been observed by this Board since 2011.

The Commissioners of Elections in the City of New York determined that with respect to the form of Election Day Paper Ballots used with the poll site optical scanning voting system, Section 7-106 of the New York State Election Law, which is captioned "Election day paper ballots; form of" is the applicable and controlling statutory provision for all such ballots. This Board will be guided by and act in accordance with such provision.

In addition, the Commissioners determined that those provisions of the Election Law relating to the form of the ballot for voting machines [including, but not limited to Sections 7-104 and 7-116(6) of the Election Law] are not applicable to any Election Day Paper Ballot used with the poll site optical scanning voting system.
