FORM OF SUBMISSION OF PROPOSAL NUMBER 1, AN AMENDMENT

Amendment to Article 14, section 1 of the Constitution, in relation to the use of forest preserve lands for wells for a municipal water supply in the hamlet of Raquette Lake, Hamilton county

The proposed amendment would allow the State to convey one acre of forest preserve land to the town of Long Lake for public use as the site for drinking water wells and necessary related equipment for the municipal water supply for the hamlet of Raquette Lake. In exchange, the State would receive at least twelve acres of land that is at least equal in value to the land conveyed to Long Lake. The land the State receives would be incorporated into the forest preserve. The Raquette Lake reservoir would be abandoned as a source of drinking water supply. Shall the proposed amendment be approved?

EXPLANATION--Matter in underscored is new; matter in brackets [] is old law to be omitted.

ABSTRACT OF PROPOSAL NUMBER 1, AN AMENDMENT

The purpose of the proposal is to allow the State to convey one acre of forest preserve land to the town of Long Lake to use for the municipal water supply for the hamlet of Raquette Lake, the Legislature having determined that no reasonable alternative means of providing drinking water to Raquette Lake that meets quality standards exists.

The State Constitution generally forbids any forest preserve land from being leased, sold, exchanged, or taken. The proposed amendment would allow the State to convey one acre of forest preserve land to the town of Long Lake for public use as the site for drinking water wells and necessary related equipment for the municipal water supply for the hamlet of Raquette Lake. In exchange, the State would receive at least twelve acres of land that is at least equal in value to the land conveyed to Long Lake. The land the State receives would be incorporated into the forest preserve. The Raquette Lake reservoir would be abandoned as a source of drinking water supply.
